

# 660/770

## SQUARE POST OUTDOOR BASKETBALL DIRECT MOUNT 6 Foot Extension

Rigid 6-inch square post upright installs 48 inches into the ground. Backboard is directly mounted to the 6 foot extension arm for exceptional strength and further reinforced by two rear support braces. For ease of maintenance the goal is engineered to be easily replaced without having to remove the backboard. The Ocean Front Model 660 is completely galvanized after fabrication making it virtually maintenance free. The Street Model 770 has a baked on black powder coated finish which will be maintenance free for many years. Available with a variety of backboards along with optional pole and backboard padding.
